

The Cameron Herald

Crowd, 100 Entries Expected For Livestock Show, Mall

ICE -- TOWN AND COUNTRY -- That 11 - degree low last Friday produced some intricate and startling ice formations in the Milam area. A mass of ice the height of a wind - mill developed on the Sam Hillman farm, just south of Pettibone on FM 486, causing frigid ac-

cumulation pictured upper left. At right, an intricate pattern of icicles dazzled the tree and yard at the Joe Anderson residence, 702 E. Seventh St. The icicle pattern was accomplished by spraying the tree and yard area during the night.

Services Held For Mrs. Weems, Milam Resident

Funeral services for Mrs. A. N. Weems, 90, were held Friday at 2:30 p. m.

Born Feb. 17, 1871 in Marshall County, Alabama, to Mr. and Mrs. Newton Shuffield, she died Jan. 10 at Newton Memorial Hospital following two heart attacks. She was married to the late A. N. Weems August 17, 1886 in Cherokee Ala. She was a member of the First Methodist Church for many years.

Rev. Jewel Strong, Rev. Kenneth Hailey and Rev. Calvin Beckendorf conducted the services from the First Methodist Church. Burial was in Oak Hill Cemetery.

Survivors are four sons, Melvin Roy and Robert Weems of Cameron and Owen Weems of Jacksonville; six daughters, Mrs. Maudie Chambers, of Napa, Calif., Mrs. Audell Horstmann, Mrs. Lois Hadcox, Mrs. Oma Little and Mrs. Serena Bridges of Cameron and Mrs. Alphine Barmore of Sugarland, one sister - in - law, Mrs. Elise Shuffield of San Antonio, 30 grand children, 59 great grand children and 12 great great grandchildren.

Palbearers were Denson Weems, T. A. Weems, Dempsey Weems, Jack Weems, Gordon Chambers, Morris Weems, Billie Fulton, David Fulton and Russell Wallace. Arrangements were with Marek-Burns Funeral Home.

Warrant Issued

For Suspect In

Station Robbery

A warrant has been issued by City Judge John B. Henderson for the arrest of Emmett Lloyd, 25, Negro, of North 3 1/2 St., Cameron, sought on suspicion of robbery of Brod Mobile Service Station.

Chief Elvin Hoskins said that Lloyd had been traced to Belton where he was said to have boarded a bus outside of Belton going to Abilene.

Lloyd is suspected of robbing the Cameron service station of \$65.24 about 5:20 a. m. Friday. Station attendant Charles Evard 18, of Cameron, told police he was forced to give the money to Lloyd when the suspect held a knife to his throat.

Emmett Lloyd has a record dating back to 1953 and includes eight charges and convictions of forgery and others including robbery by assault.

The warrant charges Lloyd with suspicion of robbery and forgery. Chief Hoskins said the suspect was traced to Belton Friday, but it was believed he boarded a bus between Belton and Killeen sometime after that.

Estimates Called For

City Gets Fire Truck

The City Council Tuesday voted to pay for the new 750 - gallon city fire truck and called for an estimate of paving and curbing around Newton Memorial Hospital.

Councilmen heard requests from a delegation headed by Dr. W. R. Newton Jr., Jack Prescott, Bassel Wilson and two board members of the Newton Memorial Hospital.

Discussion centered around a letter written by Former - Mayor Wilson in December, 1959, that the city would provide curbing and paving for the Newton Memorial Hospital when built.

Wilson said the letter was left specifically undated since it was written as an assurance to the Hill - Burton Committee that the city would provide curbing and

paving when the hospital was built and exact specifications were not known at the time. It was built in late 1961.

Dr. Newton sought curbing on both sides of the streets and paving on a 40 - foot street. City officials had planned to provide two - coat penetration and curbing on the hospital - side of North Jefferson and W. Sixth St. in an estimated budget expenditure of about \$2,200, Mayor Duncum said.

Wilson and Prescott said they believed curbing on both sides of the street was intended by the previous Council before the letter was written.

Mayor Duncum recommended that Public Works Supt. J. B. Earle estimate cost of providing

a double coat penetration paving on Jefferson and Sixth Sts., around the hospital, and curbing and gutter on the hospital side of W. Sixth St. and on both sides of North Jefferson. Councilmen voted unanimously for the proposal.

In other business, the Council approved payment of \$8,545 for the new city pumper, delivered this week, and \$135 for 300 - feet of new fire hose.

Reports were heard from Earle who noted progress on curb, gutter and base work on streets at Newton Memorial Hospital, patching of asphalt streets and profile work on E. Seventh St. from Fannin to North Jackson.

Earle anticipated work on curbing and guttering of Newton Memorial Hospital, drainage work on E. Sixth St. from Central to Fannin and drainpipe installation in Culpepper Addition, to be paid for by the Addition owner, and oiling of Orchard Street from Main to North Street.

Water Supt. Alvin Heft noted checking out 57 fire plugs in Cameron, cleaning 11 stopped - up sewerlines, completion of a six - inch waterline at 29th Street and North Jackson.

He noted 44 calls to shut off water during last week's cold weather. He said that no city waterlines had broken, but that plumbing in many Cameron homes had frozen during the past week.

The Council also approved first reading of an annual election ordinance scheduling the 1962 city election Tuesday, April 3. Posts up for election are Mayor Coleman Duncum, and Councilmen Roy Griffith and Sam Houston, two years each, and Starrett Hickman, one year unexpired term.

And the Council approved a top bid of \$1200 per line for the Howard Company for annual lease payment for two years, with renewal option of the west half of the City Park property on E. Fourth

DuBOIS RESIGNS

CofC POSITION;

SUCCESSOR TOLD

Jack DuBois, manager of the Cameron Chamber of Commerce has submitted his resignation to take an accounting position in a Cameron firm.

The Cameron Chamber board of directors accepted his resignation in a regular board meeting Friday and cited DuBois' work with the Chamber during the past two years.

Succeeding him as secretary - manager is Mrs. Eugene Barbara Smithman, former Chamber secretary, according to O. B. Harden, chairman of the Chamber employment committee.

Mrs. Smithman will assume her duties February 1 when DuBois moves to his new post with the Gulf Oil Consignee in Cameron.

In a letter to the directors, DuBois said: "It is with regret that I submit my resignation. I have enjoyed my work for the past two years and particularly appreciate the co - operation of the Board of Directors and members of the Cameron Chamber of Commerce."

"I have accepted another position here in Cameron and will be available for whatever assistance I might be able to give the new management. And, of course, I will continue to be interested and active in all Chamber work."

Mrs. Smithman assumes her duties with five years of experience in Chamber work here. She is the wife of Eugene Smithman, manager of Radio KMIL. They have three children, Jeff 5, Joe 4 and Julie, 10 months.

Office hours will be 9 a. m. to 5 p. m. weekdays and 9 a. m. until noon Saturdays.

Chamber directors have employed Mrs. Smithman on a temporary basis until plans for a fulltime manager can be made, officials said.

Mrs. Smithman's experience and ability qualify her for the post, officials said, and the Chamber directors expressed their appreciation for accepting the post.

McKinney has been with Santa Fe since 1941 and comes to Cameron from the Temple office.

Displays Planned At Milam Square

Approximately 100 entries are anticipated by officials for the Milam County Junior Livestock Show Saturday beside the McLane Company east of the Courthouse Square.

A Mall Showing of new cars, trucks, tractors, and other farm equipment will be added to this year's activities.

The show, to be staged on the west side of the square will include cars and trucks from Schiller Motors, Hefley - Stedman Motor Co., Burkes Howard Chevrolet Co., and Woodum Auto Sales. Farm equipment will be shown by Duncum - Implement, Stedman Tractor Co. and Burkes - Howard Company.

The livestock show, consisting of three classes of competition, will begin around noon. Entries are scheduled to bring in their animals Saturday around 10 a. m. In case of bad weather, the show will be held at the Cameron Auction Barn.

PRIZE MONEY

Prize money of about \$500 in cash will go to the Junior growers in three classes, swine, beef and dairy cattle. Divisions include Fat Steers, Breeding Beef Heifers, Breeding Swine, Market Barrows, Gilts and Fat Lambs.

Grand Reserve champion ribbons will be awarded in each of the above divisions. Animals will be divided into their weight, age and breed classes at the show.

Judge for the show will be Henry Fitzhugh, Jr., Graduate Assistant, Texas A & M College. William Hoyt Gaston, local FHA Supervisor, will judge the Dairy cattle class.

RIBBON AWARDS

Blue, white and red ribbons will be awarded winners in addition to the cash prizes. The prize money will be divided among winners in all divisions.

Entries of livestock include animals grown by local FFA and 4-H club members along with those throughout Milam County.

Officials of the livestock committee and Chamber Manager Jack DuBois expected a large turnout Saturday if weather conditions are favorable.

Census Underway

In Cameron Schools

January is school census month. Cameron school officials have announced.

Parents of children 6 or older before Sept. 1, 1962 are asked to contact the School Superintendent's Office to assure their children's being included in the new census count.

Parents of children 6 through 17 who have moved into Cameron District since February 1, 1961, should be sure their children are on the census roll, officials said.

McKinney Named Santa Fe Agent

T. D. McKinney has been named Gulf, Colorado and Santa Fe Railway Agent for Cameron, the position held by L. E. Crow who died of a heart attack December 2.

McKinney has been with Santa Fe since 1941 and comes to Cameron from the Temple office.

Youth Recovering

From Eye Injury

A Milam youngster today is recovering from a BB shot that grazed his eyeball.

Saturday, he was rushed to Cameron's St. Edwards Hospital and on to Scott & White in Temple for emergency treatment.

He had been accidentally shot in the eye with a BB gun Saturday afternoon, officials said.

Doctors reported that the shot grazed the 12 - year - old's eyeball, but did not penetrate.

It was the first injury from a BB gun this year. Doctors have cautioned against using the guns because of the record of eye injuries in the past years.

Bank Deposits Up

In Milam County

By Half Million

Milam County banks showed a net gain of \$566,872.87 in deposits over last year in the Dec. 30, 1961 bank call.

Citizens National Bank led deposits with a gain of \$727,728.99 over the previous year. The recent call showed deposits of \$9,644,885.39 compared to \$8,917,156.40 a year ago.

And First National Bank showed a gain of \$66,932.46 in deposits from \$4,548,266.25 to \$4,615,198.73 in the Dec. 30, 1961 call.

But other Milam banks showed declines in deposits in Rockdale, Buckholts and Thorndale totaling \$227,788.60.

In the Dec. 31, 1961, call Rockdale State Bank showed deposits of \$5,507,623.91, off \$205,965.86 since December, 1960.

Buckholts State Bank showed deposits of \$759,411.01 a drop of \$20,060.58 from deposits in December, 1960. And Thorndale State Bank showed a decline of \$1,742.16 in the recent bank call with \$1,219,932.34 on Dec. 30, 1961.

The accumulative county bank gain was the second in a row. Bank deposits in Milam County showed increases in the fall bank call over the same time in the fall of 1960.

Cameronite's Brother

Accidentally Killed

L. F. Browning, brother of Mrs. Jewel Strong of Cameron, was fatally injured at his Carthage farm last Thursday when a gun's discharge accidentally killed him.

Browning was carrying the gun and it fired accidentally.

Funeral services were held Saturday in Carthage. He is survived by his wife and three children.

Gilstrap Speaks At Grid Banquet

Coach Claude "Chena" Gilstrap Tuesday brought roars of laughter in recounting his football experiences, then hit at progressive education in a YHS grid banquet.

A crowd of about 220 YHS grid players, their dates, parents and football boosters saw Ernest Bayer, Yoeman All - Central Texas gridders, receive the Cameron Quarterback Trophy for citizenship, athletics and scholarship.

And 24 YHS gridders received letter jackets for their efforts during a 6-4 grid season in 1961.

Before the near - capacity crowd at Methodist Fellowship Hall, Gilstrap urged interest in an American way of life that "has brought us a standard of living beyond comparison."

He attributed this success to four reasons: religion, ingenuity, competitiveness and hard work.

He said he saw no place for "welfarism" in the American way of life.

"It's not that way on the athletic field where you work and win what you get," he emphasized. "We're equal for about the first 10 or 15 minutes after we're born, but then things change."

Introduced by Coach Ray Ste-

vens, Gilstrap kept his audience laughing for the first 15 minutes of his talk with humorous stories of his grid experience, which started as a high school football player in Granger.

He has taken to Arlington State College grid teams to the Junior, Rose Bowl and is a popular speaker and lecturer at coaching clinics and grid dinners throughout the state.

Richard Williams, president of the Cameron Chamber of Commerce was master of ceremonies and introduced various speakers on the program.

YHS Principal Jerald Underwood introduced special guests and Coaches Jack Larimore and Jimmy Rettig presented letters and jackets to YHS A and B - team award winners.

Quarterback Club President Dr. Robert Titsworth presented Bayer with the QB trophy. Cheerleader awards also were presented during the ceremonies.

Billy Bates, former Yoe High School head coach, told the group of his appreciation of the efforts of his 1961 Yoemen, whom he termed the most dedicated group of boys he had ever coached.

for state representative, Milam-

Robertson - Burleson Counties,

and just had filed at presttime.

Herman Yeazak, incumbent state

representative, had already filed

for re - election to a 10th term

to the Texas House.

Congressman W. R. Poage also

filed and announced as did JP's

Paul Sakewitz and E. C. Hoppe.

McClaren noted that two Travis

County men have filed for a place

on the May 5 ballot for assistant

justice, Court of Civil Appeals,

Third Supreme Judicial District,

They are: Walter R. Koch and

John C. Phillips.

Special To The Herald

FORT POLK, La. -- Ask a member of Milam County's 49th Armored Division tank unit what part of his Army gear he cherishes most and the answer will come quick: "My long handles."

It's true. Considering temperatures dipped as low as three degrees during a field maneuver last week, the Army Long Johns are next to each tank's heart -- and everything else.

Last week's cold spell that dropped the mercury to 10-and-below for three nights came during a heavy schedule of field duty. First Lt. Clinton Hackney Jr., new commander of the Milam unit, noted that his men came through the period "with flying colors" (primarily blue, most likely).

Lt. Hackney of Houston has replaced Capt. James T. Terry of

Cameron as commanding officer of Company C, 3rd Medium Tank Battalion. Capt. Terry has been reassigned to work with Combat Command "A" after nine years as CO of the Milam unit. He was employed by Alcoa's Rockdale Works prior to the mobilization of the 49th.

Two and three - day field problems for the tank units have been a dime - a - dozen for the past several weeks. The 49th has entered the ninth of the current 13 - week "intensified training period."

Sfc. Joe Vybral of Cameron, first sergeant, said that the men training in mud, sleet, rain and bitter cold. "The company, along with the rest of the division, is well on its way in the goal designed to have the 49th combat-ready by mid - February," he explained.

Who Can Donate?

Bloodmobile Scheduled

Can you spare one hour Friday afternoon? That's all the time it takes to give a pint of life saving blood to the Red Cross Blood Bank.

And the Bloodmobile unit from Waco will be in Cameron Friday from noon at 6 p. m. at the Fellowship Hall of the First Methodist Church.

Announcing the bloodmobile unit's visit this week, John B. Henderson Jr., local drive chairman, answered some of the frequently asked questions about the blood program.

Anyone in average good health

between the ages of 18 and 60 can donate blood. Persons 18 to 21 must have parents written consent, except a married girl or member of the military.

A blood donor must weigh at least 110 pounds.

An average of 3 1/2 pints of blood per 100 people is needed each year.

A brief, pertinent physical examination is given each donor by a registered nurse under the direction of a physician.

There is no charge for Red Cross Blood, only hospital charges for processing, typing, shipping,

etc.

The Red Cross Blood Bank will replace blood used by Milam residents wherever they are hospitalized.

Any resident of the Central Texas Regional Blood Center Region is eligible for Red Cross blood whether he has donated or not.

There is no obligation to replace blood used from the Red Cross Blood Center. However, members of the patient's family may be asked to donate if possible, to assure that blood will be available for the next person who needs it.

Mrs. John Vansa Dies In Temple, Services Monday

Mrs. John Vansa, 55, died Saturday in a Temple hospital. Services were held Monday 9 a. m. at St. Cyril & Methodius Catholic Church in Marak. Rev. Rafael Gerskovich officiated with burial in Marak cemetery. Rosary was recited Sunday 7:30 p. m. from Marek - Burns Funeral home. She was born Dec. 23, 1906 in Bell County.

Survivors are her husband, John Vansa of Marak, three daughters Mrs. C. D. Mitchell of Johnstown, Nebraska, Mrs. Anton Vrazel and Mrs. Albert Vrazel both of Marak; three sons Emil Vansa and Anton Vansa of Marak and Steve Vansa of Temple; one brother Frank Macek of Temple and one sister, Mrs. Steve Babeik of East St. Louis, Ill., and 9 grand children. Pallbearers were Joe Vansa, Louis Vansa, Adolph Vansa, Leroy Vansa, Alfred Vrazel and Lawrence Vrazel Jr.

Funeral Services Conducted Friday

For Mrs. Malone

Funeral services for Mrs. Matie Malone, age 83, were held Friday at 4 p. m.

Services were conducted by Rev. Richard Lockhart from the Liberty Methodist Church. Burial was in the Liberty Community.

Mrs. Malone, born in Milam County Oct. 11, 1879, lived all her life around Milano and Liberty. She was a member of the Methodist Church.

Survivors are three sisters, Mrs. Polly Butler of Gause, Mrs. Dora Turney of Gatesville and Mrs. Ann Tyler of Ireland, several nieces and nephews.

Pallbearers were Wesley Malone, Odie Malone, Curtis Miller, T. E. Malone, Billy George Miller and Vernie Miller.

Clarkson — Alfred Kohrings Host Guests For Community Visit

Guests of Mr. and Mrs. Alfred Kohring recently were Mr. and Mrs. Louis Miller and daughters of Burlington, Mr. and Mrs. Sam Ferguson and son of Rockdale, Mr. and Mrs. Robert Ottmer and daughters of Sharp and Mr. and Mrs. Walter Kohring of the community.

Mrs. Charles Burnett of Hearne visited Mr. and Mrs. Hubert Skala and Kelvin several days the past week.

Mrs. Dewey Black and her sister Mrs. A. R. McLerran of Cameron and Mrs. Leona White were in Waco Monday.

Mr. and Mrs. Dick Henke and sons and Mr. and Mrs. Bill Hoff of Temple have been recent guests of Mr. and Mrs. Ed Lierman.

Mr. and Mrs. Alvin Dodd of Walkers Creek announce the arrival of a baby son born in a Cameron hospital Jan. 9. He weighed 7 lbs., 10 ounces and has been named Kenneth Dowell. Grandparents are Mr. and Mrs. Ed McClure of Rogers and Mrs. V. D. Dodd of Clarkson.

Mr. and Mrs. Amos Doskocil and Amos Jr. had as guests Sunday Mr. and Mrs. Billy Stuessel of Temple.

Mr. and Mrs. John A. Blasienz of Bryan had Sunday guests of Mr. and Mrs. J. A. Blasienz.

Mr. and Mrs. George Dodd, Lonnie, Ricky and Karen and Mrs. V. D. Dodds visited in the Alvin Dodd home at Walkers Creek Sunday afternoon.

Mary Swinney

Named Winner In

Homemaking Quiz

ROGERS — Mary Sandra Swinney, daughter of Mr. and Mrs. B. W. Swinney of Rogers and senior in Rogers High School has been announced as the winner in the Betty Crocker Search for the American Homemaker of Tomorrow here.

The announcement came to Mrs. Myrtle Wood, head of the homemaking department, from General Mills, Department of Public Relations, Minneapolis, and was announced in high school Wednesday. Mary achieved the highest score in the examination on homemaking knowledge and attitudes taken by senior girls in December. She becomes eligible now along with winners in other state high schools, for the title of State Homemaker of Tomorrow. The girl named State Homemaker of Tomorrow is provided a \$1,500 scholarship by General Mills. The state runner-up will receive a \$500 scholarship.

Garden Club Reminds Countians Of Arbor Day, Friday, Dec. 19

"Arbor Day in Texas is January 19," reminds Mrs. Leo Fuchs, Civic Garden Club Arbor Day Chairman. "Aand many people are thinking about trees to plant for shade, fruit and flowers."

The Civic Garden Club makes the following suggestions concerning planting trees.

Dig or buy trees with earth around roots, or balled and wrapped.

A two - year - old - tree or one of medium size is best to plant; it will grow easier than a larger tree and often bears fruit about the same time.

Dig your hole wider and deeper than the root spread. Cover roots with the top soil, tramp down well, then fill hole with remaining soil and water. Let tree settle for short time. Will be a little lower than its growth level. Water well first year.

Trees need sun, good drainage and ventilation. Place in groups of one kind or plant one for a focal point. Do not use fertilizer the first year.

The tree's root system spreads about as wide as the branches of a full - grown tree. Do not plant trees close together as they will steal sun, moisture and fertility from each other.

Give one teaspoon of 5-10-5 dissolved in one gallon of water for new trees; it gives them a wonderful boost - but do not over do.

Put a piece of clay pipe or a funnel in ground at planting time in which to put food and water which goes directly to the roots. Use for summer watering.

Questionnaires On Veterans Income Due Now

All disabled veterans and widows and children of deceased veterans who receive monthly non - service connected pension from the Veterans Administration who have not yet returned their income questionnaire forms this year are urged to do so at once. Questionnaires were distributed with December pension checks.

Approximately 6,250 income questionnaires out of a potential 14,000 have been returned. Generally, the questionnaires have been properly and completely filled out.

The following points should be kept in mind when filling out the income questionnaire card:

1. Read instructions carefully.
2. Be sure to answer all questions and fill out each block. If nothing is to be reported in a particular block write "none."
3. Sign and return the completed card to the VA Regional Office having our claims file.

It is important that these forms be returned as promptly as possible, completed in full, as pension payments will be stopped if the card is not received by the end of January 1962, Mims cautioned. Also, if cards are not returned, payees would be required to pay back pension received during the past year. If you are receiving service connected compensation, you will not receive questionnaire. Anyone wishing help in filling out their card should go to the County Veterans Service Office at 192 W. Main St. in Cameron for assistance.

Outdoors In Texas

Boating is the fastest growing participation sport in the country today.

More people would like to get in on the fun. But they simply can't afford the price of a new outboard motor, much less a boat to go with it.

Anyone can rent a boat, but a necessity. One solution is to invest in a used motor.

Here are a few tips, gathered by talking with several reputable outboard motor dealers, which may prove helpful to sportsmen shopping around.

Foremost thing to remember is to buy only from an authorized outboard dealer. Beware of sharks and independent outlets. Unless you're dealing with a trustworthy, personal, friend, who will vouch for his merchandise better think twice before you buy a motor from anyone but a person holding an outboard dealership.

A large motor will depreciate about one - third its list price the first year of operation. Naturally the smaller motors have an appropriately lower margin of depreciation.

Don't let the age of the motor fool you, even though the later model motors usually are the best buys. Only through a pinpointed examination of the integral, working parts can a prospective buyer ascertain the true condition of the outboard.

Best way to judge the running operation is to actually test the

outboard, on a boat, in the water.

If this is possible, a person can get a first - hand picture of the engine's capabilities and its running condition by close examination.

Don't buy it without first examining its innards thoroughly, even though it operates smoothly. A badly worn part may function well at fault with the water pump.

Two most important things to watch while running an outboard are the cooling pump and the gear shift. The water - pumping unit is one of the most vulnerable parts.

So examine the lower portions of the cowling. Check the water escape duct in particular. Unless there is a steady stream of liquid pouring from this outlet, while the motor is in operation, something is at fault with the water pump.

The so - called "clutch dog" in the outboard foot usually is the part that wears out first.

This is because an operator has the tendency to shift too slowly, stripping the gears. Shifting should be done with a quick, fluid motion.

If the motor won't stay in gear, or won't shift smoothly, normally the "clutch dog" is the part at fault.

After testing the motor (always run one ten minutes or more to allow for normal heating), remove the protective coating and examine each part individually.

First look for cracks, especially in cylinder heads and block. If either of these parts is faulty, the motor is in poor condition and should not be purchased. Replacement of either is an expensive operation.

Foot and hold brackets (the part that attach to the boat transom) are other places where cracks are apt to show up.

Occasionally the foot may receive a severe operational jolt against some submerged obstruction, causing it to crack.

Also the twin holding brackets, subjected to continuous vibration and sometimes severe knocks when the motor is laid to rest on the transom, often become cracked.

Check the gasoline tank for dents and be sure there is no leakage at these depressions.

On large transoms examine the electrical starter and connections. Make doubly sure the generator is functioning properly.

Work the starter cord several times. If the motor is in acceptable running shape, it should kick off on the first or second yank of the cord.

If you can't afford the price of a new outboard, don't be afraid to invest in a secondhand unit. Just be sure you get what you pay for.

How good a motor you get depends largely on how much you are willing to pay. To double - check a second - hand motor is only a matter of being sure of what you are getting for the price you are asked to pay.

REPORTABLE DISEASES

Reportable diseases in Milam County for the week ending January 13, 1962 were 34 strep throat, 3 measles, 2 infectious hepatitis, and one gonorrhea according to Dr. T. F. Crump, acting director of the Milam County Health Department.

PM

Visiting in the home of Mr. and Mrs. John Gurecky at Marak were S-Sgt. and Mrs. John Gurecky Jr. and children. They returned after a three year tour at stations in Europe. They will be stationed at Hurler AFB, Ga. with the 2nd Bomb wing. Also there are M-Sgt. and Mrs. M. T. Morris who are staying with her parents since Sgt. Morris retired from the Air Force.

Self-Employment Last Rites For Tax Scheduled For Farmers

A majority of farmers and ranchers in this area must pay a federal self - employment tax for 1961. A. P. Andrews, Administrative Officer of Internal Revenue Service, Temple, revealed today.

He said the rate of self - employment tax for the taxable year of 1961 is 4 1/2 percent, and is in addition to any income tax payable.

Under the federal Social Security law, the IRS representative said, Social Security taxes are paid by employees and their employers, and the self - employment tax must be paid by persons who are self - employed. These taxes are used to pay old-age, survivors and disability benefits under the federal Social Security program, he said.

He explained a self - employed person is one who operates his own business, and that a farmer or rancher who operates a farm or ranch, either on his own land or land rented from someone else, is therefore considered self - employed. This is true, he said, even though he may employ someone else to do the work and does not live on the farm or ranch himself.

He reminded farmers they must file federal income tax returns and pay any self - employment tax due, even though they owe no income tax.

Ordinarily, he added, no self-employment tax is due unless net earnings from self - employment amount to \$400 or more for the year.

However, he continued, farmers who have actual net earnings from the operation of their farms of less than \$400 may, under certain circumstances, elect to pay the self-employment tax and may qualify to receive benefits under the Social Security system.

Farmers with tax questions should have a copy of the free official publication, "Farmers Tax Guide." The Guide is available from Agricultural agents, or from the IRS office.

Taxpayer assistance time is every Monday 8 15 a. m. to 12 noon.

Mr. and Mrs. W. B. Burnett visited her sister Mrs. R. K. Anderson at the Right Hotel in Cameron Friday.

Lomans To Live In California

Mr. and Mrs. Billy Dee Loman will live in LaQuinta, Calif., after their recent marriage at the American Lutheran Memorial Church in Denver Colo.

The bride, the former Miss Esther Linke, is the daughter of Mr. and Mrs. Carl Linke of Thorndale, and the granddaughter of Mrs.

Emily Linke of Tracy. She is a graduate of the Thorndale High School and of the Texas Lutheran College.

The bridegroom is the son of Mr. and Mrs. Paul Loman of Sandpoint, Idaho. He holds a Bachelors and Master's degree from the Colorado State College.

CAPE PLACID

This sensational story and a half home is specially designed for growing family needs, over 1500 sq. ft. of family living area. The downstairs area can be completed, in either the "Livable" or "Finished" stage to be occupied, and the upstairs area could be left in the "Basic" stage and completed as needed. The upstairs area, if not immediately completed, could serve as a storage area, a safe play area for children during inclement weather, or emergency bedroom space when the kinfolks come to visit. You get a real big home for so little money in the "Cape Placid."

High School Students Vie For Schlorships

This year fashion-conscious homemaking students at Yoe High School are planning to participate in the Student Division competition of the 1962 fashion - Sewing Contest sponsored by the General Federation of Women's Clubs and Vogue Pattern Service. The Cameron Delphian Club, working in cooperation with the school's home-making department, will act as local sponsor for the student competition.

Each girl entering the contest will make what she considers the "Ideal Dress - Up Costume for the High School Student", bringing to bear all her sewing skill and fashion knowledge in the hope of creating the winning entry.

The local student winner will receive \$5 in cash and will be eligible to represent the Delphian Club and Yoe High School at the District judging. The District winner can go on to compete for State and National honors, the grand prize at the National level being a \$1,000 scholarship. Additional scholarships of \$500 and \$250 will be awarded to the National second and third prize winners, respectively.

In addition to the individual prizes, the schools represented by the National winners are eligible for cash prizes of \$500, \$250, and \$100.

The main purpose of this community-centered contest according to Mrs. Merlin Lester, Contest Chairman, is to encourage young students to develop a deeper appreciation of homemaking skills.

Tea Party Honors Lisa Kay Bird After Colo. Rites

A tea party was given on January 10 in the home of Mr. and Mrs. Lester Bird honoring their daughter, Lisa Kay, on her fourth birthday.

Guests enjoyed an afternoon of playing and sat at tables set just for them to enjoy ice cream and teddy bear cake.

Guests were Judy Young, Laura Fuchs, Melissa Cook, Sara White, and Janet Fuchs.

Mr. and Mrs. Victor Wazell and children of San Antonio spent the weekend visiting her mother Mrs. J. M. Fuller.

Mrs. Sue Wilborn of Jacksonville spent the weekend visiting her mother Mrs. Melvin Weems.

Mrs. Bobby Biskup and baby of Waller is visiting his parents, Mr. and Mrs. Will Biskup.

Mr. and Mrs. Will Biskup spent New Years with their children in Houston and Waller.

Mrs. M. A. Hearne has returned from Houston where she spent the week visiting son Martin and family.

Rev. and Mrs. H. M. Bowley had all their children and grandchildren home for the weekend. Their son, Kenneth, will be leaving January 22 for the Army.

Mr. and Mrs. Ray Davis and little son Randel Ray of Austin spent the weekend visiting her parents Rev. and Mrs. H. M. Bowley.

Mrs. R. B. Kilgore from Hague, Netherlands, has been spending some time with her mother Mrs. W. M. Fanning after attending the funeral of her sister Mrs. Louise Dunbar.

Childress Insurance

Team Rolls High

For Cam - Roc Teams

Childress Insurance bowling team rolled a high series of 2258 to lead Cam - Roc bowlers last Tuesday. The team also rolled second place single game with 793. Second in series was Minimax 2217 followed by Farm and Ranch 2139. Minimax was first in single game with 1068 and 1004. Ida Michalka rolled 529 high in series individual followed by Betty Backhouse 502 and Jody Pernice 498. Lou Ingram rolled high 133 in game individual followed by Ida Michalka 136 and Helen Seelke 133.

Leading averages in the league are Annette Hillman 199, Ida Michalka 152 and Mildred Hollas 150.

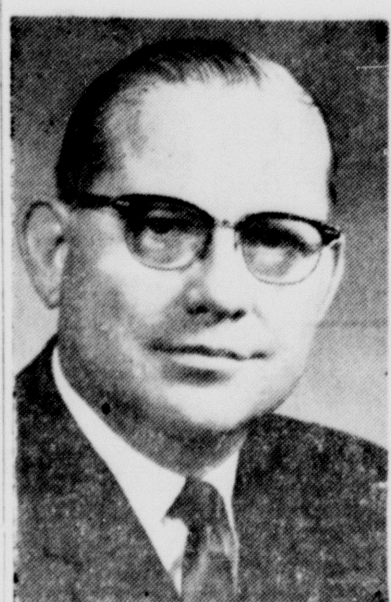

Standings are:

Minimax	59	26
Childress Ins.	45	31
Cottfields	43 1/2	32 1/2
Farm & Ranch	43	33
Greens	37	39
Pearl	32	44
Gaithers	28 1/2	47 1/2
Acme	25	51

Local Businessman Announces As Candidate For Representative

Milton Schiller of Cameron announced this week that he will be a candidate for the office of State Representative for Milam, Burleson, and Robertson counties in the Democratic primary to be held May 5, 1962.

Milam, Burleson and Robertson counties compose a new district, Number 45, which was created at the last session of the Legislature.

Milton Schiller

by realignment of these counties because of the loss of population in this area since 1950.

In announcing his candidacy, Schiller stated that in the course of his business he comes in contact with many people in all walks of life and that he had become alarmed because many have expressed to him their concern over the way our state government has been conducted in recent years.

Schiller was born in 1917 on a Bell County farm homestead, owned by his father in the New Colony community two miles from the Milam County line. He is the youngest child of a family of five sons and three daughters of Joe S. Schiller and Emilie Haisler Schiller, life-long pioneer residents of this area. Since he is a native son, Schiller knows the need of the people of Milam, Burleson and Robertson counties. He stated that while other parts of our great state have prospered and grown, this area has lost ground causing our sons and daughters to leave their beloved farms, communities and towns to seek employment and opportunity elsewhere while our district has lost population year by year.

Schiller was married in Franklin, Texas, February 7, 1937, to the former Miss Vivian Donaho, a daughter of a pioneer Texas

ceive that which is rightfully theirs. Schiller stated that it is his intention to conduct an active campaign and to see as many of the fine citizens of Milam, Burleson, and Robertson Counties as it is possible to do and to present to them his candidacy and to seek their support and advice. He further states that it is almost impossible to see all the voters in a district of this size in person, but he is seeking the vote and support of everyone in this election, for which he shall be ever grateful. Schiller concluded, "I believe that working together we can get the kind of representation to which District Number 45 is entitled."

JOHN DEERE DAY

★ We've lined up top-notch talent...

Young BILLY MUMMY, JOHN CARRADINE, GEORGE GOBEL

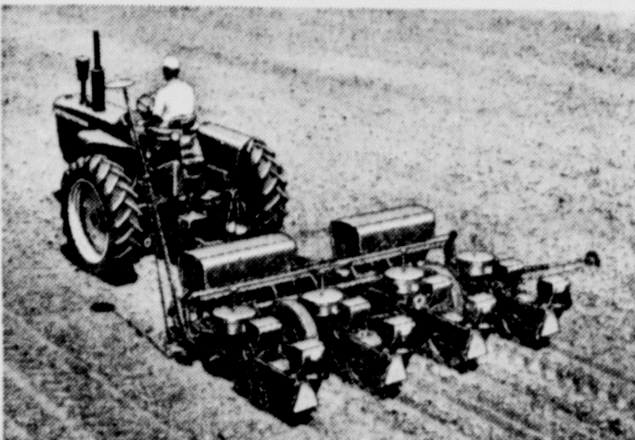

You'll get plenty of enjoyment from a show that teams up these outstanding performers! Gobel, Carradine, and Mummy star in a delightful film that ties the whole program together. It's a story packed with color and comedy about a case of measles and a boy who can't

go to John Deere Day. So he and his uncle dream up a carnival of their own . . . and only those who have measles can get in. Gobel's wittier than ever as master-of-ceremonies on film, introducing news about today's agriculture in his own inimitable fashion.

★ We've lined up a parade of

Fascinating Farm Features

You'll be transported by the camera to various parts of the agricultural world where you'll see all the new John Deere equipment for 1962 . . . combines in action, working in the field against the clock . . . the building of high-quality tractors . . . a labor-saving way to make and handle hay . . . what a John Deere dealer's business is really like . . . amazing oddities in farming. Here's a wealth of farm information you won't want to miss!

Remember... JOHN DEERE DAY is a FAMILY AFFAIR!

et ux for \$300 consideration. Lot
19 in Block 45 of the Town of
Buckholts and Lot 20 in Block 46
of the town of Buckholts.

W. E. Braden
Seeks Election

W. E. (Speedy) Braden has an-
nounced his candidacy for elec-
tion to the post of Justice of the
Peace, Precinct 1, Milam County,
subject to the May 5 Democratic
Primary.
Braden is a native Milam Coun-
titan, born here and a resident all
his life, except for service in the
U. S. Navy during World War II.
He is married to the former Ad-
ella Matula and they have two
sons, Wesley and Bratley.
Braden points out he is active
enough to put his full energies
and time into the job and has
mature judgment to qualify him
as a good justice of the peace.
"I will fairly and impartially
judge all matters coming before
my court, giving equal considera-
tion to the cause of law enforce-
ment and the rights of the accused
in criminal matters," Braden says
in making his formal announce-
ment.

Mrs. Ida Johns
Seeks Re-Election

Mrs. Ida Johns, incumbent coun-
ty treasurer, has announced her
candidacy for re - election, subject
to the Democratic Primary May 5.
Mrs. Johns points out she has
served as county treasurer for the
past nine years, without assistance
from secretaries or other paid per-
sonnel, saving the tax payers ad-
ditional salary expense.
"The office of County Treasurer
is an important one, she empha-
sizes. "and it requires accuracy,
constancy and good character."
"I am seeking re - election
on my own merits and capabili-
ties, Mrs. Johns points out.
If re - elected, she promises to
continue doing the work of the
office to the best of her abilities.
Mrs. Johns asks your considera-
tion, influence and vote for her re-
election in May.

Annual Banquet For
Civic Garden Club

Oriental Intrigue was the pro-
gram presented by Mr. and Mrs.
Perry Holder for the Civic Gar-
den Clubs annual banquet Tuesday
evening in the Educational Build-
ing of the First Baptist Church.
A menu of Chinese food and an
oriental floral arrangement cre-
ated by Mrs. Frank Schiller furth-
ered the program theme.
The Holders showed colored slid-
es with their commentary on the
many places through the orient
that they had visited on their tour
last year.
Guests were husbands of Garden
Club members; Mr. and Mrs.
Perry Holder, Mrs. Leo Fuchs,
District 5 Governor; Rev. and Mrs.
A. F. Russell, Mrs. Lula Gillis,
Mrs. Joe Densen and Mrs. Bryan
Lee Graham.

CROP ROTATION
Crop rotation is still one of the
most effective methods for control-
ling plant diseases, reports Harlan
Smith, extension plant pathologist.
He says disease control in crops
has been getting 'fancier' in recent
years but the old standby - ro-
tation - is hard to beat.

Every Teen-Age Girl
Can Be A Model At Home

"But daddy, skirts are getting shorter," the teen-ager insists as she
prepares to update her school cottons.
Every girl yearns to be a model. Next time your teen-ager sighs
"there's nothing to do" why not organize a "fashion show" of her
back-to-school clothes? This can spark her interest and pride in
her personal appearance, give her a share of responsibility for her
wardrobe, and win you a helper to make a breeze of the end-of-
the-season closet and drawer check. Dad can be an appreciative
audience.
Invite your "model" to remove her possessions from their stor-
age places and put them neatly on the bed for a pre-show inspec-
tion. Together, you can sort articles in top condition from those
which need laundering, hems straightened, or minor repairs. It's
time for the fashion show only when the last missing button is
replaced and each strap is firmly sewn in place.
Since everything worn in a fashion show must be immaculate,
it's important to launder daughter's fall cottons in the automatic
washer. Add one cup of dry chlorine bleach during the last half
of the wash cycle to brighten their color. Soaking in fabric-safe,
heavy duty dry chlorine bleach also helps remove heavy soil from
cottons. Never wash white nylons with colored clothes. Frequent
washings in warm water with detergent and dry chlorine bleach
help restore original whiteness to yellowing nylons.
When lowering or raising hems, it's a good idea to rip out the
old one and launder the garment with a little dry chlorine bleach
to remove the soil of the old hem line. Iron the dress before put-
ting up the new hem. White sneakers welcome a once-a-season
washing with detergent and dry chlorine bleach, too. To remove
stubborn stains, follow the instructions on the dry chlorine package.

Herald Editorial Page

Milam Banks Show Strength . . .

Proof of Milam's stability is in her banks. The December 30, 1961, bank call showed Cameron banks with a gain in deposits of \$794,660.47 though banks in Rockdale, Thorndale and Buckholts showed a decrease of \$227,788.60.

These totals are compared with deposits of the bank calls December 30, 1960.

Total deposits in all Milam banks at the close of business December 30 were \$21,747,051.38.

This points up the fact that Milam Countians have added about a million dollars to their deposits in the last two years.

The facility of putting this money to use is the key to Milam's future. And we trust that the facility to save must mean an ability to earn, making our resources work for us.

Other financial comparisons show that Cameron itself stands in good stead in financial matters. The City of Waco published an annual financial statement this week showing a much lower percentage of cash on hand in their general fund than Cameron. While they showed a balance of \$33,177.43 after expenditures, Cameron showed a balance of \$19,642.24 in her financial statement of the general fund. The percentage of balance in comparison to Waco's is amazing since Waco's general fund budget is more than \$3.8 millions while Cameron's general fund budget is \$153,231.31.

When the Milam County seat is so strong financially with \$9.6 millions in one bank, \$4.6 millions in the other and a sturdy balance in the City's coffers, we can look to the future with confidence.

A Real Case Of Honesty . . .

Diogenes' search for an honest man might have ended with success if he had encountered a fellow by the name of Ervin Patton, Jr., of Arkansas.

An Associated Press wire story reported this week that Patton hitchhiked 1,800 miles from Arkansas to Los Angeles to "fess up" to a ticket he got for hitchhiking on the Los Angeles freeway in November.

Last November he was ticketed for hitchhiking on the freeway, but continued on his way to Arkansas "by thumb."

He received a routine notice from LA police that he owed a fine. Since he had not paid, he received a notice of issuance of a warrant for his arrest in California.

Since his conscience hurt him, he said, he hitched rides across the country through fantastic winter weather to appear before LA police, dumfounded at his honesty.

All he owed was a \$25 fine. LA police said they would have forgotten the whole thing if they had known he was out of state.

Police decided they had to book him. And he spent last weekend in jail.

But his incredible honesty, though silly, is the kind of thing that keeps one's faith in people. He could have avoided the trip and its hardships by mailing Los Angeles police a check for the fine.

Say, Diogenes, there's a cell waiting for you.

Dateline — Austin

Progress Made On Gov. Program

By Vern Sanford
AUSTIN — Substantial progress has been made by the Legislators toward enactment of Gov. Price Daniel's program.

Lawmakers seeking re-election this spring are diligently at work. They want to be home by the filing deadline . . . Feb. 5.

Loans: House of Representatives sent a much-amended loan regulatory bill to the Senate. Bill would set up tight supervision over those who lend in amounts less than \$1,500. Exceptions are banks, credit unions, savings and loan associations and various kinds of cooperative credit groups.

Those exempt from the regulatory law would be limited to 10 per cent interest per year. All loans over \$1,500 would likewise be held to 10 per cent.

House bill allows a 3 per cent per month charge on loans under \$100 . . . 2 1/2 per cent on the part of the loan from \$100 to \$200 . . . 2 per cent on \$200 to \$500 . . . and 10 per cent on the part of the loan between \$500 and \$1,500.

When interest allowed on a loan over \$20 is less than \$4, the lender can charge \$4 in lieu of interest.

Rural Roads: Senate passed the proposal by Sen. Neveille Colson of Navasota to cut the spending on farm-to-market road construction - improvement by \$71,500,000 a year. This amount will be used for construction of secondary and primary highways.

A House rural bloc on the Agriculture Committee favored a smaller reduction. They preferred a ten year graduated cut . . . to reach the goal set by Governor Daniel, Texas Farm Bureau, the County Judge and Commissioners Association and the Texas Good Roads Association.

Tourism: Large crowds turned out for the Senate and House committee meeting on these bills: (1) to appropriate \$300,000 for advertising for tourists; (2) for expansion of the juvenile parole system; (3) and for repairs to the San Jacinto Monument.

Opposition came largely from advertising people who felt the

the 500 luncheon guests that the old joke "it is easier to pick a tourist than a bale of cotton" is about to go stale. He said Texas must let the rest of the nation know what it has to offer.

TEXAS CALLED BOOK DESERT
University of Texas Chancellor Dr. Harry Ransom told members of the Texas Commission on Higher Education that the State of Texas is laboring under the label of "the book desert of the United States."

Highway Department isn't the proper supervisor of an advertising program.

ATTORNEY GENERAL'S RACE BEGINS
Former Secretary of State Tom Reavley of Austin was the first candidate for Attorney General to pay the \$1,000 filing fee at State Democratic Executive Committee headquarters.

This is Reavley's first statewide race. The former Nacogdoches County Attorney was appointed Secretary of State in 1955. He now practices law in Austin.

Wagoner Carr of Lubbock, two-term Speaker of the House of Representatives, already has announced as a candidate.

Although Carr lost the 1960 race to Will Wilson, he polled a half million votes.

The Lubbock lawyer says his platform has one basic plank, "strengthening our legal framework where needed, and more vigorous enforcement of those laws, once enacted."

Les Procter of Austin, who resigned his office as District Attorney, is expected to make a strong bid for the Attorney General's job.

Procter won prominence as prosecuting attorney during the veterans land scandals.

Rep. Tom James of Dallas, the fourth announced candidate for Attorney General, is busy with legislative duties.

"TOURISTS" READY TO TRAVEL
Formation of the Texas Tourist Council became official at a luncheon here which honored state representatives. Council urged appropriation of \$300,000 for out-of-state advertising.

Tourist Council elected as its president James Gaines of San Antonio. Vice-presidents are Glenn Alexander of Corpus Christi, Everett Fulgham of Lubbock, Ed Leach of Galveston, Charlie Meeker of Dallas, T. P. Newhall of Greenville, John Ben Sheppard of Odessa and John Simpson of Austin. Ed St. John of Austin was elected secretary.

Speaker James A. Turman told

LITTLE RIVER PHILOSOPHER

Philosopher Wonders What Would Happen To Government If Congress Operated Like A Bank

Dear editor:

I'm not saying we need more bankers in Congress, but if we had more Congressmen as bankers, things would certainly ease up for me and a few others I could name.

What I'm talking about is an item I read in a newspaper last night about a request the Secretary of the Treasury has made to Congress. He said he would like for Congress to increase the national debt limit by a couple of billion dollars right away, as the government will need more money to operate on.

Asked why, he said the government's income is uneven, it doesn't flow in steadily, and even if the budget is balanced on a 12-month basis, there are months when expenses far exceed income and the debt limit ought to be raised.

Only a few of us financial experts can understand this matter. But Congress indicated it would go along with the raise, strictly on a temporary basis. Actually, the debt limit is 285 billion dollars, but Congress each session has raised it a little, temporarily only, till the government can work out of its financial difficulties, which takes a little time, and the limit has now been raised to 298 billion, with 2 more billion expected to be added shortly.

This is why I say I would like to see more Congressmen as bankers. The United States Treasury and my own financial situation are exactly alike. My income doesn't flow in steadily, it has its ups and downs, and I don't want to go further into debt permanently, just temporarily. But it's hard to find a banker with Congressional ideas. When one of them fixes your debt limit, that's it until you increase your assets enough to justify the increase. Sometimes it's hard for me and impossible for the government to operate on these terms.

Come to think of it, though, it's probably better like it is, with bankers running banks and Congressmen running Congress. If you think there is a crisis in Berlin and Africa, think what kind there'd be in Washington if the Secretary of the Treasury had to confront a Congress run like a bank. One the otherhand, think of how much fun I would have if I could find a bank run like Congress.

Yours faithfully,
J. A.

JAMES M. WIGGS

TURKEY CROP

The nation's 1962 turkey crop is likely to be large but less than 1961's record of 107 million birds. Extension Poultry Marketing Specialist Marshall Miller says consumers should for many months continue to find turkeys a best food buy. Storage supplies are large.

GEORGE CHILDRESS INSURANCE can write \$5,000 Fire and extended coverage on your FRAME HOME in city for \$17.00 per year. No joining fees or assessments. Call OXFORD 7-2112.

John Davidson who has been recovering from an accident in an oil well explosion is very much improved. He went to El Paso to have plastic surgery recently. Mr. and Mrs. Henry Davidson of Abilene accompanied John and his wife Bettye to El Paso.

AGENT ASSISTANCE

Last year, county agents in 207 Texas counties assisted producers with all phases of cotton production. They held almost 2,100 meetings attended by some 33,000 interested persons in their drive to get valuable information to cotton growers.

LITTLE COLONEL By Bob McKinley

"Blessed are they that mourn---
and it was that BIG!"

Letter From Congress

'Poage Reports'

"The House formally opened this Second Session of the Eighty-Seventh Congress on Wednesday, January 10. Hon. John W. McCormack, who for 16 years has been Majority Leader, was elected Speaker, and Hon. Carl Albert of Oklahoma was elected Leader. It will be many years before Texas again wields the great influence in our legislative affairs which it exercised during the lifetime of Mr. Rayburn, but under normal circumstances it will be too many years before we hold the chairmanship of a number of important committees.

"I am the second man on the Agriculture Committee. Hon. George Mahon of Lubbock is second on the Appropriations Committee. Mr. Wright Patman of Texas is ranking man on the Banking Committee. Mr. Burleson of Anson is number three on the Committee on foreign Affairs and also now serves as Chairman of the minor committee on House Administration. Walter Rogers of Pampa is third on the Interior Committee and our neighbor Tiger Teague is Chairman of the Veterans Committee. Of course, some of us will never reach a chairmanship, but if we are re-elected most of the above will be chairmen within a few years. Texas influence cannot be lightly dismissed, even now.

"The President delivered his address on the State of the Union January 11. I think he showed that the State of the Union is actually better than some of our people have realized. Even so, he recognizes and points out some very serious projects confronting us, especially in the field of foreign affairs.

"Our mail is very heavy. Indeed, it remained heavy all fall (it usually falls off when Congress is not in session). I trust that this indicates a healthy interest on the part of the people in their government. We welcome you letters but that we may be able to acknowledge them, please put your address on the letter itself. It is utterly impossible to always keep the envelope with the letter.

Finally, may I mention the proposal to withhold income taxes on interest and dividends in somewhat the same manner as we now withhold income taxes on wages. We have had many letters on this subject. They relate to no specific bill but only to a general idea or proposal to stop an obvious evasion (last year it was estimated that the government was losing close to a billion dollars a year this way). I, frankly, do not know whether the proposal is good or bad. It may cost too much. It may create more problems than it would cure. It may be unnecessary. I want to continue to study the problem, but I think that I should point out a few facts. This does

FFA Members To Show Livestock In Show Saturday

Cameron Yoe FFA members will exhibit livestock at the local Junior Livestock Show Saturday.

Those displaying animals will be Larry Hillman, 2 sheep, 1 borro, Louis Roizer, 2 barrows, Clifford Wohleb, 2 barrows, Martin Jistel, 2 Jersey Heifers, James Parker, 1 Holstein Heifer, Roy Dean Tomasek, 1 Holstein Heifer, Carl Groine, 3 registered Hereford Heifers and three sheep.

OJT Student

Scores High In

Homemaker Test

Georgia L. Petty is winner in the O. J. Thomas school in the 1962 Betty Crocker Search for the American Homemaker of Tomorrow. She achieved the highest score in the examination on home-making knowledge and attitudes taken by senior girls Dec. 5. She becomes eligible now along with winners in other state high schools, for the title of State Homemaker of Tomorrow.

The girl named State Homemaker of Tomorrow is provided a \$1,500 scholarship by General Mills, sponsor of the program. The state runner-up will receive a \$500 scholarship.

In addition, the State Homemaker of Tomorrow and her school will join with other state winners in an expense - paid educational tour of New York City, Washington D. C. and Colonial Williamsburg, Va. At the latter, the 1962 All - American Homemaker of Tomorrow will be named.

CAMERON, TEXAS, HERALD, January 18, 1962, Page 9

Mrs. Wairy Charles, reporter, Mrs. J. T. Hairston and parliamentarian Mrs. Frank Hanek.

Committee recommendations were presented by chairman of each committee to be adopted and sent to clubs to be voted on. They are finance, yearbook, E. E. E. and Civil Defense.

It was announced that District meet will be held in Hillsboro, March 15-16. Delegates to attend are Mrs. Clyde Holliman and Mrs. W. O. Butler, Mrs. Geo. Young will go as first alternate.

Mrs. Wairy Charles was elected THDA Chairman.

Buckholts Takes

Two Milano Games

Buckholts whipped Milano in both ends of a double header here Friday night.

The Buckholts girls grabbed a 46 - 30 victory as Wanda Janez scored 20 points. Linda Cotten was high for Milano with 13 points.

Jack Ruzicka's 17 points paced the Buckholts boys to a 40 - 26 win in the nightcap, Leland Dees topped Milano with 9 points.

LEGAL NOTICE

THE STATE OF TEXAS,
COUNTY OF MILAM
IN THE NAME AND BY THE
AUTHORITY OF THE STATE OF TEXAS

To L. B. FAIRCHILD, whose residence is unknown, heirs and legal representatives of L. B. FAIRCHILD, deceased, whose name and residence are unknown, and respective unknown heirs and legal representatives of all the above named parties, the unknown owner or owners of the hereinafter described property and their heirs and legal representatives, whose names and places or residence are unknown, and any and all other persons, including adverse claimants, owning, or having or claiming any legal or equitable interest in or lien upon the hereinafter described property delinquent to plaintiff herein for taxes.

YOU ARE HEREBY NOTIFIED THAT suit has been brought and is now pending in the Honorable District Court, Twentieth Judicial wherein The State of Texas, Milam County, District are plaintiffs; and L. B. Fairchild, et als, are defendants, by the filing by said plaintiffs of a petition on the 4th day of January, 1962 and the file number of said suit being No. 298 and the nature of which is a suit to collect delinquent ad valorem taxes on the following described property, to wit:

FIRST TRACT: 108 acres of land out of the Wiley Harrison Survey in Milam County, Texas.
SECOND TRACT: 14 acres of land out of the Wiley Harrison survey in Milam County, Texas; both of which tracts are fully described by metes and bounds in Plaintiffs' said petition;
Together with interest, penalties, costs, charges, and expenses of suit which have accrued and which may legally accrue thereon.
The amount of taxes due each plaintiff, exclusive of interest, penalties and costs is as follows:
THE STATE OF TEXAS, \$99.50
MILAM COUNTY, 127.75
THORNDALE INDEPENDENT SCHOOL DISTRICT 160.00

TOTAL \$387.25
Plaintiff and all other taxing units who may set up their tax claims herein seek recovery of delinquent ad valorem taxes on the property hereinabove described, and in addition to the taxes all interest, penalties and costs allowed by law thereon up to and including the day of judgment herein, and the establishment and foreclosure of liens, if any, securing the payment of same, as provided by law.

All parties to this suit, including plaintiff, defendants, and intervenors, shall take notice that claims not only for any taxes which were delinquent on said property at the time this suit was filed but all taxes becoming delinquent thereon at any time hereafter up to the day of judgment, including all interest, penalties and costs allowed by law thereon, may upon request therefore, be recovered herein without further citation or notice to any parties herein, and all said parties shall take notice of and plead and answer to all claims and pleadings now on file and which may hereafter be filed in said cause by all other parties herein, and all of those taxing units above named who may intervene herein and set up their respective tax claims against said property.

You are hereby commanded to appear by filing a written answer and defend such suit on the first Monday after the expiration of forty - two (42) days from and after the date of issuance hereof, the same being the 19 day of February, A. D. 1962 (which is the return day of such citation), before the honorable District Court of MILAM county, Texas, to be held at the courthouse thereof, then and there to show cause why judgment shall not be rendered for such taxes, penalties, interest and costs, and condemning said property and ordering foreclosure of the constitutional and statutory tax liens thereon for taxes due the plaintiff and the taxing units parties hereto and those who may intervene herein, together with all interest, penalties and costs allowed by law up to and including the day of judgment herein, and all costs of this suit.

Issued and given under my hand and seal of said court in the City of Cameron, Milam County, Texas, this 4th day of January, A. D. 1962.

Grady Allen
District Court
Milam County, Texas
20th Judicial District

Senior Class of 1961-62 and by the Smith Insurance Agency of Rogers.

Members of the two classes and members of the Smith family were admitted to the games free Tuesday night. They all were honored during the program.

The Tuesday night games were the opening conference games for the Rogers High Eagles, as they played Thorndale boys and girls. night in their conference opener.

Rogers, Salado

Teams Clash In

Basketball Match

The Rogers boys basketball team tallied 48 points to beat Salado with 42. Friday night.

High point men for Rogers were Brian Harbour and Jimmy Covert with 14 points each. Johnny Chervenka scored 12.

Larry Guess scored 21 points for high scorer on Salado's team. Stanley Meriosky also contributed 11 points.

The Rogers girls team lost to Salado by a 45 to 12 score. High scorer for Salado was Wanda Phillips with 20. Pat Grimm scored 12 points for the winners.

Diana Bartek was high scorer for Rogers with 7 points.

Texas Cotton Producers Are Emphasizing Cost Cutting In 1961

COLLEGE STATION — The past year wasn't what cotton growers in many Texas counties would classify as a good one, but for the state as a whole, lint yields were the second highest on record, 343 pounds an acre. Thus, low yields in some areas were offset by record yields in others.

Fred Elliott, extension cotton specialist, in his 1961 annual report highlights some of the past year's achievements. He said the 7-Step Cotton Committees, working on all levels, continued to be a major factor in the progress made by the producers of the state's most important crop. Since the program, initiated 16 years ago by the Texas Agricultural Extension Service, has been operating, lint yields have climbed from 134 pounds an acre to 1961's 343 pounds. But perhaps of equal or even more importance have been the changes in production and harvesting, ginning and soil management practices.

The specialist reported that an estimated \$68 million plus was saved last year in harvest costs through the use of machines — 33,089 stripper harvesters and 4,782 spindle pickers. Harvesting machinery doesn't come cheap, the specialist said, as verified by the expenditure of over \$32 million in 1961 alone for new picking and stripping machines.

Growers saved another \$27.7 million in labor costs through the use of 50, 605 rotary hoe equipped tractors and chemicals for weed and grass control. Spot - oiling of Johnsongrass was used on approximately a quarter million acres of cotton in 163 counties and spot - spraying of the same pest with water carried chemicals was used on 136,700 acres. Lateral oiling saved up to \$25 an acre on

hoe bills and was used on more than 86,000 acres in 75 counties. Defoliants or desiccants were used on 61,555 farms in 170 counties to prepare cotton for machine harvesting. The use of moisture meters, a recent introduction, expanded rapidly and 135 were used in 41 counties as an aid in quality improvement.

Last year, county agents in 207 counties assisted producers with all phases of the 7-Step Program. County program building committees were also active in planning county work and emphasis in many counties was placed on the use of cotton burs for soil improvement and to reduce fire hazards. Burs were spread on 17,306 farms in 126 counties. A few years ago burs were commonly burned as waste. A ton of burs contains about \$7.50 worth of plant nutrients and their application has raised lint yields by as much as 25 percent.

A team of extension specialists—cotton, entomologist, cotton gin, and at times others — was used to carry educational information to the counties. The team conducted 157 meetings attended by 13,252 producers. County agents in their follow - up work held almost 2,100 meetings with an attendance of approximately 53,000. County agents and committees also enjoyed the cooperation of newspapers, radio and television stations for getting needed information to producers and supplied them with more than 2,100 stores, 2,250 radio and 39 television programs.

Cotton is still the state's most important crop and the progress made has materially aided the entire economy of Texas, the specialist concluded.

Yoe Graduate Named Officer In A & M Chapter

Frank Jeckle, a 1958 graduate of Yoe High School, now a junior attending Texas A & M College, was elected third vice - president of the A & M Collegiate FFA Chapter for the spring semester, 1962.

The collegiate FFA chapter plays a vital and important part in the training of potential teachers of vocational agriculture. While participating in this organization, the potential teachers become acquainted with situations they will face as advisors of local FFA chapters. Being elected to an office in this organization is an honor and a privilege. It gives the student a chance to demonstrate the leadership he has developed.

USDA Announces Planting Changes

COLLEGE STATION — The four-row limitation on "skip - row" planting will not apply to the 1962 cotton crop, according to an announcement by Secretary of Agriculture Orville L. Freeman.

Under regulations for 1961 and earlier crops, skip - row cotton planting was permitted provided the skips left idle or planted to other crops were equal in width to the four rows of cotton. If the skip rows were any narrower, the entire acreage was counted as planted to cotton for acreage allotment and marketing quota purposes. Under this arrangement many growers planted a four - and - four pattern - four rows to cotton and four left idle or planted to other crops.

The change, Secretary Freeman said, will provide the cotton grower with more latitude in planning and carrying out his operations. Under the new system, only land actually planted to cotton will be counted as cotton land in determining compliance with acreage allotments and marketing quotas. Each grower will determine for himself the pattern best suited to his operation. It is expected that many will shift to a two-and-two pattern, that is two rows of cotton and two rows left idle or planted to other crops.

HOME DECORATING

Thinking of redecorating all or a part of your home? If you are, a recent Texas Agricultural Extension Service publication, B-971, "Beautify Your Windows and Glass Walls" may be helpful. Copies are available from your local county home demonstration agent or the Agricultural Information Office, College Station.

County Agents Notes

Answers On Foundation

By J. D. Moore
Milam County Agent

The following are answers to often asked questions about Southwest Animal Health Research Foundation.

Q. Where can we get more information on the Foundation?

A. As soon as any new information is available, it will be distributed. Most questions concerning Foundation and proposed program and animal health situation can be answered by careful reading of information already distributed by Vocational Agriculture Division, Texas Education Agency and Agricultural Extension Service Texas A & M College. In addition, more information is being developed and will be distributed later.

Q. When should funds collected in county be turned in to Foundation?

A. Final turn - in date is Feb. 1, 1962. County Chairmen have received and will receive detailed suggestions on fund handling.

Q. Will sterile flies be distributed in my county?

A. Exact areas of operation are still in planning stages and are not final. And as final plans are developed, they may be subject to rapid change because of weather or technical breakthroughs or improvements. See general plan in MP-542, THE SCREW WORM AND ITS CONTROL, distributed by Texas Extension Service.

Q. Will the funds now being collected be used to fight diseases or insects other than screwworms?

A. All funds being collected at this time will be used in connection with screwworm program.

Q. Will producer funds be enough to do the whole job?

A. Likely not. Interested farm and livestock organizations, other than SWAHRF, will likely work for funds from state and national government sources to complete the program.

Q. Does anyone connected with SWAHRF draw travel expenses or per diem?

A. No. All expenses, time and facilities have so far been contributed by individuals and organizations.

Q. Where can we get a speaker for one of our meetings?

A. A list of available speakers is available. More will be sent later.

Q. Can you collect enough money by a mail campaign?

A. Likely not. Experience so far, strongly indicates that the best way to sell the program is for two man teams to call on every producer in the county. However, use all publicity and mail you can - in addition to personal contacts.

Q. Should we ask for checks now?

A. Yes, just as soon as possible.

Q. Will it be all right to try to contact producers at auction sales.

A. Yes, just as soon as possible.

Q. Will it be all right to try to contact producers at auction sales.

A. Yes, just as soon as possible.

Rogers Tax Office

Schedule Open Dates

ROGERS — As has been customary in the Rogers Consolidated Independent School district, the tax - assessor collector, Mrs. Billye Synatzke, will be in her office the last two Saturday mornings in January for the convenience of tax payers, since January 31 is the deadline for paying taxes. The hours for January 20 and 27 will be from 8 a. m. to 12 noon.

After January 31, there will be a penalty and interest charge added to the amount of the tax statement, according to the state schedule.

CROP ROTATION

Crop rotation is still one of the most effective methods for controlling plant diseases, reports Harlan Smith, extension plant pathologist. He says disease control in crops has been getting 'fancier' in recent years but the old standby - rotation - is hard to beat.

Lilly of Austin is the speaker.

A meeting for the north end of the county is planned for the week of January 22-26, and is sponsored by the Farmer's Union Organization. The meeting will be held at Burlington or Ben Arnold. The place and date will be announced as soon as a speaker is confirmed.

Cotton Report

Blizzard conditions halted field operations throughout the area. Trading in the spot markets was moderately active. Shipper demand was fairly good. Domestic mill interest improved. Inquiries from abroad were slightly more numerous. Harvest was nearing completion.

Prices for Middling 1" cotton were quoted Thursday, January 11, at 33.05 cents in Dallas, 33.25 cents in Galveston and Houston, and 32.85 cents in Lubbock, unchanged from a week ago. On the corresponding date a year ago prices were 29.50 cents in Dallas and Houston, 29.75 cents in Galveston and 29.00 cents in Lubbock.

There was widening of discounts in Dallas and Lubbock markets. The most severe weather of the winter season moved into the area early in the week dropping temperatures to below freezing. Snow, sleet and ice blanket a large part of the area. Cotton harvesting was at a standstill. Gin backlogs were reduced and many were closed. The demand for the late ginnings remained very good and the larger percent entered trade channels. Loan entries increased in Texas with 101,231 bales entering the loan during period, December 29 through January 5, which included some South Texas cotton that had been

held. Shippers bought in fairly moderate volume, mainly to cover present commitments. The demand was best for Strick Low Middling and lower grades of good character and Micronaire. Buying of the off quality cotton was active and prices strengthened according to reports.

Harvest in the late producing areas was making excellent progress until interrupted by the cold weather. In Oklahoma harvest was estimated to be 95 percent complete. Preparations for planting cotton in the Valley early in February were about complete. Seed beds are in good condition and producers were preplanting irrigating. Reports indicated there was an ample supply of good planting seed.
